100 VOLUMES

OF THE

STANDARD DICTIONARY!

This rare work of nearly 2,400 pages, each volume weighing 17% pounds, beautifully bound in embossed leather, issued by Funk and Wagnalls of London and New York, is now on sale at the Deseret News office. One hundred volumes have just been received. This is the work in the compilation of which Dr. James E. Talmage was engaged as one of the 200 editors. Its thoroughness is well illustrated by its treatment of the single word "Quorum," as follows:

"Quorum:" 1, Such a number persons of any deliberative corporate body as is necessary for the legal transaction of business; unless otherwise ordered, a majority, 2. (Eng.) Certain designated justices of the peace commissioned as JUSTICES OF THE QUORUM, without the presence of some one of whom the others could not act. 3. Mor. Ch. A council or organized body of the priesthood: as, an Elders' quorum; the quorum of the First Presidency. 4. Necessary constituents. (L., of whom, gen, pl. of "qui" (who.) from the Latin words "quorum unum—A, B. esse volumus" (of whom we desire A, B. to be one) forming part of ancient commissions of the state of sions, as of justices.

This rare dictionary is offered at \$12 per copy. A limited number can be had for Church pay, and our schools and colleges are asked to correspond with us at once should they desire a copy. THE DESERET NEWS.

MUSIC FOR SWEET CHARITY Brilliant Concert for the Scofield Sufferers Last Night.

One of thet most delightful musical events that have ever taken place in the Congregational church was the concert given under the auspices of the Orphan's Home and Day Nursery last night. The feature of the evening was the cantata "King Rene's Daughter" given by the Chaminade chorus, under the leadership of Mrs. Blanch V. S. Lewis. The music is charming and the Lewis. The music is charming and the ladies composing the chorus and orchestra did some remarkable artistic work. The soloists were Mrs. Kate Anderson, Miss Mabel Clark, Miss Edna Dwyer, Miss Cohn, Miss Jessup, Miss Swift and Miss Berkhoel; and the orchestra consisted of Miss Sibel Access chestra consisted of Miss Sibyl Anderson and Miss Lamson, first vicinis, Miss Mary Hall and Miss Jessie Weimer second vicilins; Miss Marion Knicker-boker, pianist of the Chaminade club, and C. S. Carrington, John Smith and and C. S. Carrington, John Smith and C. Jesperson asisted. The orchestral work was excellent the more so consid-ering that the young ladies assisting in it were novices in this particular ca-pacity. The music throughout was excellently rendered, and Mrs. Lewis is to be congratulated upon the artistic

results of her training.

The second part of the program was introduced by young Master Pederson, whose wonderful skill and expression whose wonderful skill and expression in the difficult violin rendition called forth a storm of applause. "The Suwanee River" was played as an encore, Prof. Pederson being accompanist in both selections. John Robinson delighted the audience with "A Summer Night," and Messrs. Smith and Jesperson, with C. S. Carrington accompanying, gave a duet for flute and French horn, which was much enjoyed. The affair altogether was a brilliant suc-cess, and the Chamlnade chorus might well consider the advisability of repeating the pretty contata which went last night with such distinct success as to promise a successful repetition.

THAT POLICE EXAMINATION.

A Citizen Declaims Strongly Against Such a Procedure.

APPROVES "NEWS" COURSE.

Thinks That it is High Time for Such Business to Stop-Public Should Demand It.

To the Editor:

I had hoped, after hearing so many expressions of indignation uttered in regard to the high-handed official outrage, of which the "News" published an account in its Monday evening issue, that some more able pen than mine would have come to your aid in seconding your very commendable and much approved effort to bring before the public notice such outrageous doings. As none, however, thus far seems to have done so, I feel that it is my duty to raise my voice and express the indignation which the public feel and have felt since the publication of the same in the "News," which ever stands ready to champion the cause of "truth and liberty" and to uphold the rights of the people. Let me here say, Mr. Editor, that in your last evening's editorial headed "An Of-ficial Outrage," you have expressed my personal feelings in regard to this matter as thoroughly as it is possible to put feelings into words, and I am sure that you have also expressed the sen-

I wouldn't put a straw in the way of an officer of the law at any time in his effort to do his duty but would cheerfully give him both my moral and physical support to aid him in upholding the peace and order of any community with which I might be connected and I do not wish it understood that I have one word to say against those officers who do their duty as they conscientiously understand it, but I do wish it understood that the respectable, law-abiding citizens of Salt Lake City will not tolerate such outrages as have been perpetrated upon three defenseless. been perpetrated upon three defenseless young girls under the guise of official

There is too much imperialism manifested, Mr. Editor, by a certain class of officers and it should be stopped! I heartily second the demand of the "News" that a rigid investigation, an investigation that will investigate, be made, and such high handed proceedings stopped. "RAZOR" JACK" IN TROUBLE Arrested on the Charge of Burglariz: ing Squires' Barber Shop.

Yesterday afternoon Sergeant Burbidge and Detective Geo, Sheets arrested Jack Richardson, a barber. known as "Razor Jack." The charge of burglary has been lodged against him and the officers are confident of "mak-ing the charge stick." It is believed that Richardson is the man who broke into Squires' barber shop not long since and purloined nearly all the rozars. The officers have been quietly at work on the case and have managed to locate most of the stolen property at arious pawn shops. Richardson is known to have pawned

A REASON FOR IT.

There is Only One Pile Cure That Has Reached a National Popularity and Reputation.

There are many popular medicines that are known in every household in America, There are blood purifiers, nerve tonics, headache remedies, dyspepsia cures, and cough cures, which are sold in every drug store in the nation and be-

But all of these must divide their popularity with many rivals, no one remedy has the field to itself, with the remedy has the field to itself, with the single exception of pile cures, for it is a singular fact that there is but one pile cure that can be considered as having a national reputation, without a rival and the referred to is the Pyramid Pile Cure which for seven years has steadily worked into the public favor by reason of its extraordinary merit, until it is known from Maine to California and from Manitoba to the guif.

It is true there are many pile remedies having a small local reputation for a yeaf or two but the Pyramid Pile

a year or two but the Pyramid Pile Cure has rapidly supplanted them all and really has the field to itself when anything like national popularity is

The explanation is simple. It is because piles is in no sense an imaginary triuble that a bread pill or a simple salve or ointment will cure, but an ob-stinate, painful and often dangerous trouble and a remedy to give satisfac-tion must possess positive and very apparent merit. A person suffering from piles will not experiment for months with a remedy; it must give relief and a cure in short order or it is con-
